

Conway Lounge Golf League Rules 2016

1. Score cards will not be given out until 5pm.
2. The league shall consist of 4 flights. Some flights may have more people than others. Prize money stays the same for each flight.
3. Each man will play opponents in his flight in Round Robin fashion during the season. The league will play 2 halves of 8 weeks, week 17 will be used as a position round. All ties will be broken by holes: first hardest hole, second hardest hole, etc. Winners of the 1st & 2nd halves will play off at the last outing on Aug 27th. The winners will play together at that outing. If the opponent doesn't show, the win and money goes to the person who is present.
4. During league play you must wait for your match to show. If the last group on your tee goes, then you can golf. If you cannot make it for the tee time or you are running late, please call either of us: Ron Territo 724-312-3303; Jay Hrusko 724-630-3908; Kelly Felo 724-581-6547.
5. The league will keep \$75.00 of league money for flower fund. Any member, or their spouse who passes away will receive flowers from the league, if we are notified.
6. The driving range is out of bounds. You take a drop where the ball crossed the fence, two club lengths from the fence, no closer to the hole. A penalty stroke is also assessed.
7. All sand traps encountered, lift rake and place no closer to the hole.
8. League scoring will be: 1 pt For Showing Up; 1 pt Total Score: 1 pt Holes Won. If you are playing an absentee or a bye, you get 2 pts. To get 3 pts, you must shoot your average plus 1 or less. PLEASE CHECK your cards to be sure they are correct, before turning them in.
9. What you score on a hole gets put on the card. However, no more than a double bogey, triple bogey for D Flight, will be considered for average. The maximum score on any hole will be double par. Once you reach that number, pick up the ball. D-Flight & Harold Beck will play from Sr. tees.
10. All putts must be holed out, providing you get that far.
11. Rain Nights: 11A-Before starting a round in inclement weather, golfers present will vote to determine if playing is feasible. If we decide not to play, everybody present will get 1 pt.
11B-If play has already started and the siren blows closing the course anytime after 5:15pm, entire league night is canceled. Golfers who showed up will get 1 pt. You still need to turn in your cards.
11C-If play starts and inclement weather is encountered, it is up to the golfer's discretion to continue. However, if more than ½ of the golfers present finish their round, those who left the course prematurely will only receive 1 pt for showing up.
12. Vacations: if you know that you are going to miss in 4 wks-tell Ron Territo before you go out that night. The card you turn in will be used in 4 wks. You will only be able to get 2 pts. You are only allowed 2 (two) vacation rounds per half. After the 4th week of the first half.
13. You need to be present for ALL 17 weeks to get perfect attendance.
